

JUMP START

MENTAL HEALTH FELLOWSHIP PROGRAM

Los Angeles County Department of Mental Health | Mental Health America of Los Angeles

What is Jump Start?

A 12-week program that partners with the Los Angeles County Department of Mental Health to expand the public mental health workforce. Trainings include classes taught by experts in the field and hands-on experience at various internship sites throughout Los Angeles County.

Who Qualifies?

Priority will be given to individuals:

- With a **Bachelor's degree** or higher in any field
- Who have **lived experience** and/or **family members**
- From un-served and/or underserved **ethnic minority** populations.

Individuals with 24 college units are also eligible to apply.

Jump Start Session 23

March 5 – May 25, 2018

The deadline to apply is **January 5, 2018**
